State Senator Tom Gaffey **Medicare Savings Programs** *for lower prescription costs*

Eligible seniors could save \$1,000 per year or more in Medicare Part B premiums and lower co-payments.

If you are a ConnPACE member, I have good news about how you can lower your Medicare costs. I supported legislation to expand the eligibility requirements for enrollment in the Medicare Savings Program (MSP).

The new voluntary Medicare Savings Programs **could save eligible seniors \$1,000 per year or more in Medicare Part B premiums** and the Medicare Part D Low Income Subsidy would lower prescription drug co-payments. Most individuals in ConnPACE are eligible for Medicare and can enroll in Medicare Savings Programs.

As a ConnPACE member, your pharmacy co-payment is now \$16.25. By joining Medicare Savings Programs and receiving the Low Income Subsidy, **your pharmacy co-pay could be reduced to as low as \$2.50 for generics and \$6.30 for brand-name drugs** on Medicare Part D's Drug list.
